Financial Indicators

Financial indicators allow the Commission and its staff to maintain an overview of an institution's financial position over a period of time. This information is used as part of the review process associated with the *Principles of Accreditation*.

Financial information for indicators should come from audited fiscal year end 2007 financial statements. If audited statements are unavailable, use the most accurate and reliable data available. If you have questions regarding the interpretation of your statements please contact your external or state auditor.

It is not necessary to send a copy of your audited financial statements.
