## Supplemental Information (optional)

This screen may be used to help the reader better understand the data you have provided, or to help a prospective student-athlete make an informed choice of an athletics program.

This information will be viewable on the EADA public website. Please do not include the names of individuals or write messages to the help desk.

To explain specific data entered on a previous screen, please use the caveat box on that screen.

The USCA Athletic Department budgets available resources equitably between their men's and women's programs, with a portion also assigned to administrative programs. Differences in revenues/expenses between men's and women's programs can be attributed to: scholarship waivers, post-season play and NCAA reimbursements, fundraising campaign for golf practice facility, baseball team bus fire, and regular season tournament hosting. The 2018-19 Women's Cross Country program was suspended for one year while the search for a permanent full-time coach was completed mid-year. Women's Cross Country was reinstated and competing again in 2019-20, along with the addition of a Men's Cross Country program.
