Dr. Kevin Sightler, Director of Substantive Change
Commission on Colleges
Southern Association of Colleges and Schools
1866 Southern Lane
Decatur, GA 30033-4097

Dear Dr. Sightler,

The University of South Carolina Aiken has a new Bachelor of Science major in Public Health. Originating in our Department of Biological, Environmental, and Earth Sciences, this program is to be offered in a traditional face-to-face delivery mode. This 120-credit hour baccalaureate degree consists of 47-48 credit hours of general education courses and 72-73 credit hours of required and elective courses within the major. Thirty of the 72-73 credit hours within the major (i.e., 41%-42%) originate from ten new courses not previously offered by the institution at the baccalaureate instructional level. We intend to initiate the Bachelor of Science in Public Health program at the start of our Fall 2024 semester scheduled to begin August 22, 2024. The program was approved by the University of South Carolina's Board of Trustees on June 23, 2023, and by the South Carolina Commission on Higher Education on November 2, 2023.

Should you have any questions or require further information, please do not hesitate to contact me.

Sincerely,

A handwritten signature in blue ink that reads "Lloyd A. Dawe".
